Dear Guy,

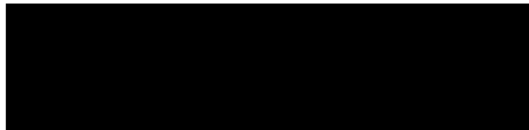

Future Mole Valley – Modest Extensions - Newdigate

The Newdigate Parish Council has consulted with residents on the Future Mole Valley Modest Expansion of Existing Villages via a public meeting held on 24th September 2018.

As a result of that meeting, submissions subsequently received from residents and the research carried by the Newdigate 2030 team Mr Phill Crutcher proposed that the Newdigate Parish Council rejects the boundary changes suggested by Mole Valley District Council and further rejects the sites suggested for development.

Mr Richard Tyson-Davies seconded the resolution and the council present agreed.

Yours faithfully

Peter Barclay
Clerk to the Council
